

## RESEARCH ASSOCIATE I – PROCESS DEVELOPMENT

ProMetic BioTherapeutics Inc. (*PBT*) is responsible for the US development and commercialization of the manufacturing process that provides for highly efficient extraction and purification of therapeutic proteins from human plasma in order to develop best-in-class therapeutics.

Our Process Development Department currently has an open vacancy for a Research Associate (Level I) at our Rockville, Maryland location. The candidate will be responsible for learning basic purification techniques, buffer preparation, column packing, data entry, and performs routine laboratory maintenance under direct supervision of their designated Scientist.

The successful candidate will possess the following qualifications and skills:

- A Bachelor's Degree and 0-2 years of experience in the scientific field or in a related area.
- Must have general knowledge and experience in protein purification, filtration, and general laboratory techniques.
- Must be able to multi-task, while working multiple projects and meeting project timelines.
- Requires organization, attention to detail and accuracy for both laboratory work and documentation.
- Must be able to work in a team environment.
- Must have an excellent attitude and willingness to learn new techniques appropriate to job functions.
- Ability to adapt quickly to changing projects and/or company goals/deadlines.
- Must be able to provide recommendations and/or suggestions on ways to optimize and reduce time and cost based on observations from daily work.
- Must be flexible and able to work under conditions of limited resources and supplies.
- Proficient in Microsoft Office (*Word, Excel, Outlook, PowerPoint etc.*)

### Work Conditions:

- BSL-2 laboratory environment for purification of human plasma products up to the 100L scale.
- Daily contact with chemicals and potentially bio hazardous material.

### Physical Requirements:

- Ability to lift/move 50 pounds with assistance.

ProMetic is committed to attracting and retaining the most highly qualified candidates available. We truly believe that our employees drive the success of the Company. We offer competitive salaries and excellent benefits to include but not limited to: *Medical, Dental, Vision, STD, LTD, Extended Disability, 401k Plan, Stock Options, Flexible Work Environment and much more.*

To be considered for this position, please forward a Cover Letter (*with salary expectations*), an updated copy of your Resume with the following reference in the **Subject Line: RA1PD-PBT**. *Only qualified candidates will be contacted for an interview.* ProMetic is an Equal Opportunity Employer.
