

Job Opportunity

Laboratory Support

Prometic Bioproduction Inc. (“PBP”) undertakes the development and manufacture of high-value plasma-derived therapeutic biosimilars for Prometic’s current and future clients in a state-of-the-art facility.

Prometic Bioproduction Inc is experiencing substantial growth. In order to support operations expansion, the Quality department of PBP is looking for a Laboratory Support to work at its plant in Laval, Quebec. Under the supervision of the Logistic and Plasma management the Laboratory Support will be responsible for executing different laboratory tasks. Ensure receipt, handling of orders, and inventory management of equipment. Maintains the laboratory, instruments and apparatus and be in compliance with cGMPs and GLP requirements.

The mandate of the Laboratory Support will namely include the following responsibilities:

- Manage inventories of laboratory equipment;
- Responsible for chemical and biological waste;
- Prepare and receive orders;
- Prepare and wash laboratory equipment;
- Assist in the preparation of experimental material, if necessary;
- Prepare solutions, if necessary;
- Maintenance of laboratory equipment and equipment, if necessary;
- Perform data entry, if necessary;
- Assist with the receipt and inspection of plasma and other equipment used in production;
- Other duties / responsibilities required or assigned by the supervisor.

The selected candidate will hold a DEC or AEC in Sciences with or with little experience.

Must have knowledge and / or experience in the laboratory as well as basic computer skills (MS Office). Must have excellent written and oral communication skills (English and French).

Work environment:

- Laboratory, walk-in freezer / refrigerator;
- Contact with chemical and biological materials used for laboratory analysis;
- Stand for long periods of time;
- Handling moderate loads;
- Handling of chemical and biological products;

The following criteria are also required:

- Ability to work independently with minimal supervisory guidance;
- Great attention to detail;
- Team player;
- Good sense of observation;
- Planning;
- Versatility.

Prometic offers a competitive compensation, a flexible work schedule and a casual working environment.

To apply, PBP-QC. Prometic is an equal opportunity employer. **Only chosen candidates will be contacted for an interview.** For more information about Prometic, visit our website www.Prometic.com.
